

## Jie Wang

With over thirty years of teaching experience, Jie Wang possesses a solid professional knowledge and expertise in choral pedagogy. Driven by a deep passion for choral art, she has diligently researched and accumulated extensive educational experience, earning her multiple honors in the fields of music education and choral conducting.

She has frequently led the choir on numerous international tours to countries including Austria, Germany, Italy, Australia, Thailand, Latvia, and Sweden, to participate in choral exchanges, performances, and international competitions.
